Welcome to Ace Car Recovery Services

We have experienced and helpful operators who have been in the car recovery, car sales, repairs and servicing industry for a long time.

Whether you are stuck at the roadside, involved in an accident, or need a vehicle moved from one location to another, our team is ready — 24 hours a day, 7 days a week, all year round. We will recover your vehicle and take it to your destination of choice, whether home, garage or another location.

Beyond recovery, we offer roadside and on-site repairs, servicing, tyres, pre-MOT checks, air-conditioning repairs, vehicle transport — including car auction and port collections — and quality vehicles for sale.

“We will take great care of your vehicle when we move it from point A to point B.”

Our story

Ace Car Recovery Services Ltd is built on a team with long experience across car recovery, car sales, repairs and servicing. We cover all types of vehicles, and our professionals and recovery vehicles make sure the recovery process is top-quality and effortless.

We offer the most competitive rates and on-site services, with recovery vehicles robust enough to handle every type of vehicle without causing damage or scratching the paint.

Our commitment

Our commitment to you is to provide honest, friendly and on-time service. We offer both driven and transported services with the support of our Class 1 HGV drivers and trade plates.

Our primary concern is the satisfaction of our clients, which is why we strive to maintain such high standards in everything we do — and we guarantee a full recovery of your vehicle as well as safe transportation.

Every vehicle type

Customer care

Client satisfaction is our primary concern — it is why we maintain such high standards.

Top-rated services

We guarantee a full recovery of your vehicle as well as safe transportation.

Everything your vehicle needs, from one team.

Four core services — recovery, maintenance, transport and sales — delivered by the same experienced operators.

Car Recovery

Roadside, accident or non-runner — we'll come and get it.

We specialise in safe and reliable vehicle recovery. Whether you are stuck at the roadside, involved in an accident, or need your car moved, our recovery team is always ready — and your vehicle is transported securely and without damage.

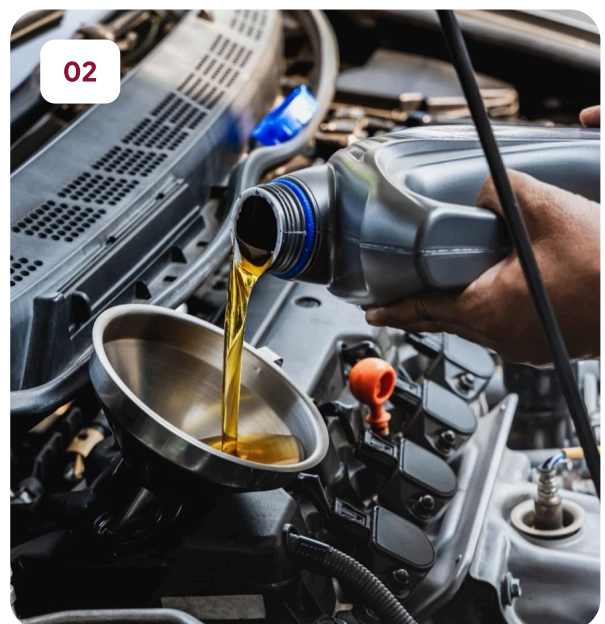

- ✓ Available 24/7, all year round
- ✓ Breakdown and accident assistance
- ✓ Roadside repairs and recovery
- ✓ Trucks for cars, vans and commercial vehicles

Car Maintenance

Diagnostics to full repairs — on-site or at the roadside.

From diagnostics to full mechanical and electrical repairs, our maintenance team keeps your vehicle performing at its best — with repairs and upgrades in one place, saving you time.

- ✓ Vehicle repairs and servicing
- ✓ Pre-MOT checks and repairs
- ✓ Tyre repairs and replacement
- ✓ Air-conditioning repairs and refrigeration support

03

Car Transport

Flatbed or driven delivery, door to door.

When you need your vehicle delivered safely, we've got you covered — ideal for MOT appointments, dealership transfers, car auction collections, port collections and deliveries, and personal use. We treat every car as if it were our own.

- ✓ Class 1 HGV drivers and trade plates
- ✓ Flatbed trucks for safe loading and delivery
- ✓ Car auction collections
- ✓ Port collections and deliveries

Vehicle Sales

Quality vehicles, fairly priced.

We don't just recover and transport vehicles — we also help you find your next one. Whether you're looking for a family car, a reliable work vehicle or a replacement part, we make the process simple and hassle-free.

- ✓ Quality used cars, vans and trucks
- ✓ Transparent pricing with no hidden costs
- ✓ Access to the right vehicle parts
- ✓ Stock changes regularly — call for availability

What our customers say.

“I broke down late at night on the motorway and was worried about how long I’d be stuck. Ace Car Recovery arrived quickly and handled everything with real professionalism. The driver made me feel safe and reassured, and my car was delivered to the garage without a single scratch.”

SM

Sarah M.

Aylesbury · Car Recovery

“I’ve used Ace Car Recovery not only for recovery but also for regular maintenance. Their technicians really know what they’re doing. They diagnosed my car’s electrical issue on the spot and got me back on the road the same day. Honest pricing and excellent workmanship.”

JP

James Phoden

High Wycombe · Car Maintenance

“I needed my vehicle transported to a shipping company, and Ace Car Recovery handled the whole process perfectly. The flatbed truck kept my car safe, and their Class 1 HGV driver managed everything with ease. The service was punctual and stress-free.”
